Renovation of a Villa Ouderkerk aan de Amstel, 2020

This 150 m2 villa is built at a beautiful location in a nature reserve overlooking the Ouderkerkerlake. The villa has an office which is separated from the rest of the house by a Rimandesio large sliding door. The unique sofa placed in the centre of the living room is by the stylish and exclusive brand Edra. The sofa was consciously chosen because of the flexibility of the backrest: you can sit on it from two sides. The lamps are designed by the unique Dutch light brand Brand van Egmond.
